LARGE QUANTITY MIXES

Our popular sandwich mixes are ideal for a delicious, easy lunch. For the sandwich mixes classic, exclusive, vegetarian and vegan we use a variety of artisanal bread types, such as ciabatta, waldkornbun, Italian bun, sourdough bread, multi-grain baguette and spelt bread. The sandwiches are divided into halves and presented tastefully in wooden crates. These mixes can be ordered per 12/18/24/30/36 pieces. For the mini mix we use ciabatta, multi-grain baguette, wrap and sourdough bread. The mini mix can be ordered per 24 pieces. For the solid basics mix we use a variety of white and brown rolls. The sandwiches are separately packaged in tissue paper. This mix can be ordered from 10 pieces.
